MEMORANDUM FOR: Chief, Medical Staff  
SUBJECT : Overseas Processing

I believe that there may be room for improving, at least in a time sense, the processing of people en route to overseas assignments. I have just set up a small task force of Mr. [REDACTED] 25X1A9a of the Special Activities Staff, Mr. [REDACTED] 25X1A9a of the Central Processing Branch, and Mr. [REDACTED] 25X1A9a of the Clandestine Services Personnel Division to look into the matter and would appreciate your designating someone from your office to be available for consultation with them. The task force will be approaching your office directly.
